

RTYC Charitable Trust

On behalf of my fellow Trustees and our Club can I offer a special thanks to all those members and their guests that helped to make our recent Charitable Trust lunch a resounding success.

Good company, fine dining and our Coffee room atmosphere is always hard to beat but, with a guest speaker the calibre of Digby, Lord Jones, who's absorbing address on a wide range of topics that captured our attention till the very last moment, it was a truly memorable occasion.

The proceeds of our lunch, and your kind donations are already on their way to providing grants and bursaries to needy youngsters around Britain, and Trustees and the secretariat are busy ensuring we support as many as possible during this 2016 season.

Our Charitable Trust, now recognised as a valuable contributor to some of the nation's major maritime adventure organisations would not exist without your kind and enthusiastic support.

We look forward to keeping up this good work.

Thank you

DH
